

Thursday, February 22, 2018

Thank you to all who attended our Imperial Beach Chamber of Commerce (IBCO) Networking breakfast on Thursday February 22nd (fourth Thursday of each month). Our speaker this month was San Diego County Tax Collector Dan McAllister. Mr. McAllister is a very entertaining speaker and a long-term public official (in office since 2002) that is very knowledgeable. He shared how it is the tax collectors responsibility to enforce bond measures that are passed by the voters. Some of these can be very burdensome and in hindsight, not in the best interest of the taxpayer. He spoke very highly of Senator Ben Hueso and AB182 that puts limits on some bond measures. No more than a 4 to 1 payback, must have a "call" option, etc. He stated San Diego County has a 99% collection rate on property taxes and believes it is the diversity of his department, which speaks 44 different languages. Overall an excellent presentation with lots of information.

We did not have a breakfast sponsor this month but encouraged our attendees to think about sponsoring a breakfast. Each month our breakfast sponsor receives 5 minutes to make announcements, promote their business and/or inform our breakfast attendees on the benefits of doing business with their business. If you are interested – ask us or call the office at (619) 424-3151.

Your IBCOC has rented a new office located at 1221 Palm Avenue, IB. We will open our office the week of February 5th with a grand open ribbon cutting scheduled for February 28th. Please check our website at www.ib-chamber.com and check the scheduled time. While you are at it, look at our member directory and if you are looking for something, see if one of our members can help you.

Attached are copies of the flyers that were left on the table by your local businesses and non-profits. There are many opportunities to get involved in the City of Imperial Beach – please take a moment to look at all the events taking place.

The next Imperial Beach Chamber of Commerce networking breakfast is scheduled for Thursday, March 22, 2018. Our scheduled speaker is Mayor Serge Dedina. Our sponsor will be Granite Lion Cellars. Please join us at 0715 on Thursday, March 22, 2018 at the Dempsey Holder Center located at 950 Ocean Lane, Imperial Beach, CA 91932.

Other information:

Earn points every time you donate. Points can be redeemed for Amazon gift cards, movie tickets and much more!

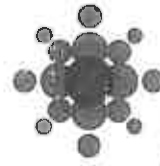

Donors are advised to drink plenty of fluids prior to donation. Maintain usual eating habits on the day of donation, avoiding fatty foods if possible. All donors must show picture identification.

In May, 2011, on National Bike to Work Day, Bryan Caraveo was hit by a dump truck while riding his bike to work. Bryan suffered a traumatic brain injury, collapsed lung, several broken ribs; along with a broken nose, clavicle and vertebrae. During his long recovery, he underwent 2 surgeries and required several blood transfusions. Bryan is doing well now, he has even become a regular blood donor and he is always eager to help by sharing his story with the community.

Double Your Impact!

Become a Double Red Cell Donor!

How Can I Double My Donation?

You can double every time you donate blood by giving double red cells. The automated double red cell donation process takes a bit longer than whole blood donation, but it can help save twice the number of patients.

Are There Special Requirements?

There are specific height and weight requirements for men and women who would like to double their donation. Please discuss these requirements with a San Diego Blood Bank representative when scheduling your appointment or at the time of your donation. You may donate double red cells every 16 weeks.

What is a Double Red Cell Donation?

A double red cell donation is collected through an automated process that removes red cells and returns fluids back to the donor. Your plasma (which contains vitamins, minerals and nutrients) is returned to you. You should find the experience more comfortable than whole blood donation because a smaller needle is used.

Why Should I make a Double Red Cell Donation?

- You can save twice the number of lives with one donation!
- Red cells are the products most needed by patients.
- A double red cell donation provides a more concentrated and consistent product.
- You'll save time by making fewer visits. The maximum donations possible is cut in half!
- Double red cell donors receive double donor for life points.

We would like to thank our corporate sponsor for their contributions.
